In addition, electronic copies of these documents are available on the following web site by entering the draft permit number: https://fldep.dep.state.fl.us/air/emission/apds/default.asp. Notice of Intent to Issue Air Permit: The Permitting Authority gives notice of its intent to issue an air construction permit to the applicant for the project described above. The applicant has provided reasonable assurance that operation of proposed equipment will not adversely impact air quality and that the project will comply with all applicable provisions of Chapters 62-4, 62-204, 62-210, 62-212, 62-296 and 62-297, F.A.C. The Permitting Authority will issue a Final Permit in accordance with the conditions of the proposed Draft Permit unless a timely petition for an administrative hearing is filed under Sections 120.569 and 120.57, F.S. or unless public comment received in accordance with this notice results in a different decision or a significant change of terms or conditions. Comments: The Permitting Authority will accept written comments concerning the proposed Draft Permit for a period of 14 days from the date of publication of the Public Notice. Written comments must be received by the Permitting Authority by close of business (5:00 p.m.) on or before the end of this 14-day period. If written comments received result in a significant change to the Draft Permit, the Permitting Authority shall revise the Draft Permit and require, if applicable, another Public Notice. All comments filed will be made available for public inspection. Petitions: A person whose substantial interests are affected by the proposed permitting decision may petition for an administrative hearing in accordance with Sections 120.569 and 120.57, F.S. Petitions filed by any persons other than those entitled to written notice under Section 120.60(3), F.S., must be filed within 14 days of publication of the Public Notice or receipt of a written notice, whichever occurs first. Under Section 120.60(3), F.S., however, any person who asked the Permitting Authority for notice of agency action may file a petition within 14 days of receipt of that notice, regardless of the date of publication. A petitioner shall mail a copy of the petition to the applicant at the address indicated above, at the time of filing. A petition for administrative hearing must contain the information set forth below and must be filed (received) with the Agency Clerk in the Office of General Counsel, 3900 Commonwealth Boulevard, MS 35, Tallahassee, Florida 32399-3000, Agency_Clerk@dep.state.fl.us , before the deadline. The failure of any person to file a petition within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S., or to intervene in this proceeding and participate as a party to it. Any subsequent intervention (in a proceeding initiated by another party) will be only at the approval of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C. A petition that disputes the material facts on which the Permitting Authority's action is based must contain the following information: (a) The name and address of each agency affected and each agency's file or identification number, if known; (b) The name, address, any email address, telephone number and any facsimile number of the petitioner; the name, address any email address, telephone number, and any facsimile number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial interests will be affected by the agency determination; (c) A statement of when and how each petitioner received notice of the agency action or proposed decision; (d) A statement of all disputed issues of material fact. If there are none, the petition must so state; (e) A concise statement of the ultimate facts alleged including the specific facts the petitioner contends warrant reversal or modification of the agency's proposed action; (f) A statement of the specific rules or statutes the petitioner contends require reversal or modification of the agency's proposed action including an explanation of how the alleged facts relate to the specific rules or statutes; and, (g) A statement of the relief sought by the petitioner, stating precisely the action the petitioner wishes the agency to take with respect to the agency's proposed action. A petition that does not dispute the material facts upon which the Permitting Authority's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301, F.A.C. Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the Permitting Authority's final action may be different from the position taken by it in this Public Notice of Intent to Issue Air Permit. Persons whose substantial interests will be affected by any such final decision of the Permitting Authority on the application have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above. Extension of Time: Under Rule 62-110.106(4), F.A.C., a person whose substantial interests are affected by the Department's action may also request an extension of time to file a petition for an administrative hearing. The Department may, for good cause shown, grant the request for an extension of time. Requests for extension of time must be filed with the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000, or via electronic correspondence at Agency_Clerk@dep.state.fl.us , before the deadline for filing a petition for an administrative hearing. A timely request for extension of time shall toll the running of the time period for filing a petition until the request is acted upon. Mediation: Mediation is not available in this proceeding. FPC wrestlers win district duals for third year in a row

Joslyn Johnson was the only girl wrestling for Flagler Palm Coast at the District 2-3A duals tournament on Thursday, Dec. 11, at Buchholz High School in Gainesville. Wrestling in the final match of the day, the senior demonstrated why she was in the lineup. The Bulldogs were down by two points against Buchholz in the championship entering the last match at 113 pounds. Johnson pinned Cassidy Kephart in 3:44 to give FPC a 33-29 victory and its third straight district duals championship. “Joslyn Johnson is someone I trust,” FPC wrestling coach David Bossardet said. “When there’s a match to be won, there’s nobody I’d rather have out there, girls or boys.”

FPC received a bye in the quarterfinals and defeated Lake Mary 54-19 in the semifinals to advance to the championship against the host Bobcats. The Bulldogs will now wait to see where they are headed for regionals. The winner of the District 1-3A tournament on Jan. 10, 2026, at Creekside High School, will host regionals on Jan. 15. FPC junior Braden Dailey, who normally wrestles at 113, bumped up to 120 for district duals and pinned both of his opponents. “He’s been battling health issues,” Bossardet said. “He battled through a tough week, and he did a phenomenal job. The week he went through, he could have easily not wrestled at all, and he got two pins.” Bossardet said he was also pleased with sophomore Lenny Fries who pinned

both of his opponents at 138 pounds. In the final, he pinned Buchholz’s Jacob Vo in 19 seconds. FPC’s other winners against Buchholz were Jacob Hald at 106, Robert Twilley at 132, Jojo Foalima at 175 and Doyvonne Leadon at 190. But overall, Bossardet said, the Bulldogs will have to wrestle better at regionals to be able to advance to the state duals tournament on Jan 23-24. “I look at how we’re competing,” he said as he was driving back from Gainesville. “I don’t think any of our guys were satisfied with how they competed today. We won district duals, but if we wrestle like we did today, that’s all we do is win district duals. We’ll have to go back to work tomorrow and make some adjustments.”
