Mediation pursuant to Section 120.573, F.S., to settle an administrative dispute regarding the District's action in this matter is not available prior to the filing of a request for hearing.

# Why Public Notice Should Remain in Newspapers

Along with open meeting and freedom of information laws, public notice is an essential element of the **three-legged stool of government transparency**

This is not about "newspapers vs the internet".

## It's newspapers and newspaper websites vs government websites

and newspaper websites have a much larger audience.  
Moving notice from newspapers to government websites would **reduce the presence of public notices on the internet**

Requiring independent, third-party newspapers to ensure that public notices run in accordance with the law helps

## prevent government officials from hiding information

they would prefer the public not to see

Since the first U.S. Congress, public officials have understood that newspapers are the best medium to notify the public about official matters because they contain the

### essential elements of public notice:

- Accessibility**
- Independence**
- Verifiability**
- Archivability**

**Publishing notices on the internet is neither cheap nor free**

**Newspapers** remain the primary vehicle for public notice in **all 50 states**

## Types Of Public Notices

# ESSENTIAL ELEMENTS OF A PUBLIC NOTICE

Federal and state public notice statutes generally establish four fundamental criteria for a public notice.

Each of these elements are critical aspects of the checks and balances that public notice was designed to foster.

## 1. Accessible

Every citizen in the jurisdiction affected by the notice must have a realistic opportunity to read it

## 2. Archivable

Notices must be capable of being archived in a secure and publicly available format for the use of the judicial system, researchers and historians

## 3. Independent

Notices must be published by organizations independent of the government body or corporation whose plans or actions are the subject of the notice

## 4. Verifiable

There must be a way to verify that each notice was an original, unaltered notice and actually published in accordance with the law
