NOTICE OF PUBLIC HEARING TO CONSIDER ADOPTION OF ASSESSMENT ROLL PURSUANT TO SECTION 197.3632(4)(b), FLORIDA STATUTES, BY THE ORMOND CROSSINGS CENTRAL COMMUNITY DEVELOPMENT DISTRICT

NOTICE OF REGULAR MEETING OF THE ORMOND CROSSINGS CENTRAL COMMUNITY DEVELOPMENT DISTRICT

The Board of Supervisors ("Board") of the Ormond Crossings Central Community Development District ("District") will hold public hearings on July 16, 2026 at 2:00 P.M., at the Hampton Inn Daytona/Ormond Beach, 155 Interchange Blvd., Ormond Beach, Florida 32174, to consider the adoption of an assessment roll, the imposition of special assessments to secure proposed bonds on benefited lands within the District, a depiction of which lands is shown below, and to provide for the levy, collection and enforcement of the special assessments.

The District is located entirely within the City of Ormond Beach, Florida. The lands to be improved are generally located north of Durrance Lane, south of U.S. Highway 1, and west of Interstate 95, and are geographically depicted below and in the Master Engineer's Report, dated March 2026 ("Capital Improvement Plan"). The public hearing is being conducted pursuant to Chapters 170, 190 and 197, Florida Statutes. A description of the property to be assessed and the amount to be assessed to each piece or parcel of property may be ascertained at the office of the District Manager c/o Wrathell, Hunt and Associates, LLC, 2300 Glades Road, Suite 410W, Boca Raton, Florida 33410 ("District Manager's Office").

The District is a unit of special-purpose local government responsible for providing infrastructure improvements for lands within the District. The infrastructure improvements are currently expected to include, but are not limited to, stormwater management and earthwork, roadways and sidewalks, potable water, sanitary sewer and reuse water systems, open spaces, hardscape, landscaping, electrical improvements, and other infrastructure ("Improvements"), all as more specifically described in the Capital Improvement Plan, on file and available during normal business hours at the District Manager's Office. According to the Capital Improvement Plan, the estimated cost of the Improvements is \$58,096,500.

The District intends to impose assessments on benefited lands in the manner set forth in the District's Master Special Assessment Methodology Report, dated May 26, 2026 ("Assessment Report"), which is on file and available during normal business hours at the District Manager's Office.

The purpose of any such assessment is to secure the bonds issued to fund the Improvements. As described in more detail in the Assessment Report, the District's assessments will be levied against respective benefited lands within the District. The Assessment Report identifies maximum assessment amounts for each assessment area and land use category that is currently expected to be assessed. The lien for assessments is proposed to be allocated on an equal assessment per acre basis, and will be levied on an equivalent residential unit ("ERU") basis at the time that such property is platted or subject to a site plan or sold.

The annual principal assessment levied against each parcel will be based on repayment over thirty (30) years of the total debt allocated to each parcel. The District expects to assess and collect sufficient revenues to retire no more than \$79,870,000 in debt, exclusive of fees and costs of collection or enforcement, discounts for early payment and interest. The proposed annual schedule of assessments is as follows:

Bond Assessment Apportionment

Table with 7 columns: Unit Type, Total Number of Units, Total Number of Sq Ft, Total Cost Allocation*, Total Bond Assessment Apportionment, Bond Assessment Apportionment per Unit, Annual Bond Assessment Debt Service per Unit**. Rows include Multifamily, Retail, Office, Business/Flex, Storage, and Public/Institutional.

* Please note that cost allocations to units herein are based on the ERU benefit allocation illustrated in Table 4. ** Includes costs of collection estimated at 2% (subject to change) and an allowance for early payment discount estimated at 4% (subject to change)

The assessments may be prepaid in whole at any time, or in some instances in part, or may be paid in not more than thirty (30) annual installments subsequent to the issuance of debt to finance the improvements. These annual assessments will be collected on the Volusia County tax roll by the Tax Collector. Alternatively, the District may choose to directly collect and enforce these assessments. All affected property owners have the right to appear at the public hearings and the right to file written objections with the District within twenty (20) days of the publication of this notice.

Also on July 16, 2026 at 2:00 P.M., at the Hampton Inn Daytona/Ormond Beach, 155 Interchange Blvd., Ormond Beach, Florida 32174, the Board will hold a regular public meeting to consider any other business that may lawfully be considered by the District. The Board meeting and hearings are open to the public and will be conducted in accordance with the provisions of Florida law for special districts. The Board meeting and/or the public hearings may be continued in progress to a certain date and time announced at such meeting and/or hearings.

If anyone chooses to appeal any decision of the Board with respect to any matter considered at the meeting or hearings, such person will need a record of the proceedings and should accordingly ensure that a verbatim record of the proceedings is made, which includes the testimony and evidence upon which such appeal is to be based.

Any person requiring special accommodations at the meeting or hearings because of a disability or physical impairment should contact the District Manager's Office at least 48 hours prior to the meeting. If you are hearing or speech impaired, please contact the Florida Relay Service at 1-800-955-8770 for aid in contacting the District office.

The District intends to impose assessments on benefited lands in the manner set forth in the District's Master Special Assessment Methodology Report, dated May 26, 2026 ("Assessment Report"), which is on file and available during normal business hours at the District Manager's Office.

The purpose of any such assessment is to secure the bonds issued to fund the Improvements. As described in more detail in the Assessment Report, the District's assessments will be levied against respective benefited lands within the District. The Assessment Report identifies maximum assessment amounts for each assessment area and land use category that is currently expected to be assessed. The lien for assessments is proposed to be allocated on an equal assessment per acre basis, and will be levied on an equivalent residential unit ("ERU") basis at the time that such property is platted or subject to a site plan or sold.

The annual principal assessment levied against each parcel will be based on repayment over thirty (30) years of the total debt allocated to each parcel. The District expects to assess and collect sufficient revenues to retire no more than \$84,785,000 in debt, exclusive of fees and costs of collection or enforcement, discounts for early payment and interest. The proposed annual schedule of assessments is as follows:

Bond Assessment Apportionment

Table with 7 columns: Unit Type, Total Number of Sq Ft, Total Cost Allocation*, Total Bond Assessment Apportionment, Bond Assessment Apportionment per Unit, Annual Bond Assessment Debt Service per Unit**. Rows include Office, Business/Flex, Industrial, Storage, Warehouse/Distribution, and Public/Institutional.

* Please note that cost allocations to units herein are based on the ERU benefit allocation illustrated in Table 4. ** Includes costs of collection estimated at 2% (subject to change) and an allowance for early payment discount estimated at 4% (subject to change)

The assessments may be prepaid in whole at any time, or in some instances in part, or may be paid in not more than thirty (30) annual installments subsequent to the issuance of debt to finance the improvements. These annual assessments will be collected on the Volusia County tax roll by the Tax Collector. Alternatively, the District may choose to directly collect and enforce these assessments. All affected property owners have the right to appear at the public hearings and the right to file written objections with the District within twenty (20) days of the publication of this notice.

Also on July 16, 2026 at 2:00 P.M., at the Hampton Inn Daytona/Ormond Beach, 155 Interchange Blvd., Ormond Beach, Florida 32174, the Board will hold a regular public meeting to consider any other business that may lawfully be considered by the District. The Board meeting and hearings are open to the public and will be conducted in accordance with the provisions of Florida law for special districts. The Board meeting and/or the public hearings may be continued in progress to a certain date and time announced at such meeting and/or hearings.

If anyone chooses to appeal any decision of the Board with respect to any matter considered at the meeting or hearings, such person will need a record of the proceedings and should accordingly ensure that a verbatim record of the proceedings is made, which includes the testimony and evidence upon which such appeal is to be based.

Any person requiring special accommodations at the meeting or hearings because of a disability or physical impairment should contact the District Manager's Office at least 48 hours prior to the meeting. If you are hearing or speech impaired, please contact the Florida Relay Service at 1-800-955-8770 for aid in contacting the District office.
