If you wish to receive a copy of a Technical Staff Report (TSR) that provides the St. Johns River Water Management District (District) staffs' analysis on the above-listed compliance report(s) and associated permit(s), please submit your request to Office Director, Office of Records and Regulatory Support, PO Box 1429, Palatka, FL 32178-1429. You may view the TSR by going to the Permitting section of the District's website at www.sjrwmd.com/permitting/index.html.

To obtain information on how to find and view a TSR, visit https://permitting.sjrwmd.com/permitting/html/EP_FAQs.html, and then follow the directions provided under "How to find a Technical Staff Report (TSR) or other application file documents."

A person whose substantial interests are or may be affected has the right to request an administrative hearing by filing a written petition with the District. Pursuant to Chapter 28-106 and Rule 40C-1.1007, Florida Administrative Code (F.A.C.), the petition must be filed (received) either by delivery at the office of the District Clerk at District Headquarters, P.O. Box 1429, Palatka, Florida 32178-1429 (4049 Reid St., Palatka, FL 32177) or by email with the District Clerk at Clerk@sjrwmd.com, within twenty-one (21) days of newspaper publication of the notice of District decision (for those persons to whom the District does not mail or email actual notice). A petition for an administrative hearing is deemed filed upon receipt of the complete petition by the District Clerk at the District Headquarters in Palatka, Florida, during the District's regular business hours. The District's regular business hours are 8 a.m. - 5 p.m., excluding weekends and District holidays. Petitions received by the District Clerk after the District's regular business hours shall be deemed filed as of 8 a.m. on the next regular District business day. A petition must comply with Sections 120.54(5)(b)4. and 120.569(2)(c), Florida Statutes (F.S.), and Chapter 28-106, F.A.C. The District's acceptance of petitions filed by email is subject to certain conditions set forth in the District's Statement of Agency Organization and Operation (issued pursuant to Rule 28-101.001, F.A.C.), which is available for viewing at www.sjrwmd.com. The District will not accept a petition sent by facsimile (fax). Mediation may be available if you meet the conditions stated in the full Notice of Rights (see last paragraph).

The right to an administrative hearing and the relevant procedures to be followed are governed by Chapter 120, F.S., Chapter 28-106, F.A.C., and Rule 40C-1.1007, F.A.C. Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means the District's final action may be different from the position taken by it in this notice. Failure to file a petition for an administrative hearing within the requisite time frame shall constitute a waiver of the right to an administrative hearing. (Rule 28-106.111, F.A.C.).

If you wish to do so, please visit http://www.sjrwmd.com/nor_dec/ to read the complete Notice of Rights to determine any legal rights you may have concerning the District's decision(s) on the Consumptive Use Permit Application(s) described above. Q&A

Who benefits from legal notices?

You do. Legal notices are required because a government body or corporation wants to take action that can affect individuals and the public at large.

When the government is about to change your life, or your property or assets are about to be taken, public notices in newspapers serve to alert those affected.

Are there different types of legal notices?

Simply put, there are two basic types - Warning Notices and Accountability Notices.

Warning notices inform you when government, or a private party authorized by the government, is about to do something that may affect your life, liberty or pursuit of happiness. Warning notices typically are published more than once over a certain period.

Accountability notices are designed to make sure citizens know details about their government. These notices generally are published one time, and are archived for everyone to see. Accountability is key to efficiency in government.

Are internet-only legal notices sufficient?

No. While the internet is clearly a useful resource, websites should not be used as the sole source of a legal notice.

Websites, whether controlled by a government body or a private firm, are not independent, archived, readily available or independently verified.

Newspaper legal notices fulfills all of those standards.

How much do legal notices cost?

The price for notices in the printed newspaper must include all costs for publishing the ad in print, on the newspaper's website and to www.floridapublicnotices.com.

The public is well-served by notices published in a community newspaper.
